Our Story

Our President, Richard Colucci, founded the company in 1998 when he recognized a gap in the design and construction marketplace for companies who needed to refresh their existing spaces. In the beginning, Distinctive focused on flooring and over the years continued to add in-demand services including painting, furniture, and design consultation.

In 2021 the company was acquired by Benhar Office Interiors, the premier platinum certified MillerKnoll Dealer in New York. Joining forces with Benhar has strengthened the firms reach & capabilities.
